

## **Twenty Ways to Fail Photo Class:**

1. Be afraid of new things.
2. Be late to class.
3. Blame it on a lack of talent.
4. Do as little as you can.
5. Don't ask questions.
6. Don't even try.
7. Have someone else do your work.
8. Ignore instructions.
9. Ignore people who know more than you.
10. Imagine that you will get better without practice.
11. Keep your ideas to yourself.
12. Take bathroom selfies for every project.
13. Make excuses.
14. Make no mistakes.
15. Miss class (and don't make up the work).
16. Forget to turn in your projects.
17. Perfect it all.
18. Sit perfectly still and never make a sound.
19. Spend as much time as possible talking with your friends and looking at your phone.
20. Stick to what you are good at.
