

1. Open the folder that has the photos of your project. (You should always create a new folder for each project). Select all the photos by clicking and dragging your mouse over them.
2. Right click on any of the photos selected and click "Print".

3. In the Print Pictures window, (1) change the printer to "Microsoft Print to PDF", (2) select "Contact Sheet" from the option on the right -you'll have to scroll down, (3) UNCHECK the "Fit picture to frame" box at the bottom center, (4) then click "Print":

4. Name your file with your project title and save in your H drive (your student account) always!

You did it!
