

Testing Tips for Students

map GROWTH™

Come as you are

You cannot use any outside materials, except for a pencil and scratch paper

Be Confident

The test will adjust to your answers

Do Your Best

Use test-taking skills and your best effort to show what you know and don't know

Questions

Each question must be answered

Move on

You cannot go back to a question once you have moved on to the next question

Directions and Asking for Help

Follow your teacher's instructions and ask for help when needed

Don't Rush

If you go too quickly, your test will be paused and your teacher alerted

Tools

There are tools available to you throughout the test and can be accessed in the testing platform; examples include highlighter, calculator, line reader, notepad, and zoom.

It's Okay

If you don't know all the answers
