## COMMUNITY COLLEGE CREDIT!

***Congratulations! You have enrolled in a high school course that is articulated with two local community colleges!***

This means that you are eligible to earn (FREE) college credit at Chaffey AND San Bernardino Valley College once you successfully pass both terms with a "B-" or better! Note: Chaffey also requires a portfolio submission ( your 6 best photos) and passing my final exam with a 70% or better.

We will dedicate a few class periods to the college application process and signing up for my "college class" via CATEMA.com. All students are expected to enroll for the free college credit.

## COURSE OBJECTIVES & STANDARDS

***This course is aligned to the Career Technical Education (CTE) standards in the Arts, Media, & Entertainment sector, the CA Visual Arts Content Standards, as well as the Common Core Standards in Literacy for Technical Subjects.***

**Upon completion of the requirements of this course, you can expect to be able to:**

- Identify, analyze, and apply the elements of art & principles of design, rules of composition, and the expressive qualities of photographic images.
- Apply technical skills of photography through the exposure triangle and camera settings.
- Communicate ideas in written and visual form.
- Edit, enhance, and manipulate digital images using image editing software.
- Output digital still images to on screen presentations.
- Comply with industry ethics & standards.
- Identify photographic contributions and understand the power of visual images in society.
- Create original works of art of increasing complexity and skill that expresses your views and ideas.
- Create online portfolios of your photographic work.

## CLASS BLOG INFO

[www.floresphotoclass.edublogs.org](http://www.floresphotoclass.edublogs.org)

Daily agenda, assignments, & class materials will be posted on the Summit High Digital Photography Class Website.

Visit daily to see what we're doing everyday. Also contains class norms, syllabus, rubrics, and many more resources.

Check out the student gallery page as well!

## PROGRAMS AND APPS

- **Microsoft Teams** will be used to turn in assignments and projects. Announcements will also be posted there.
- **OneDrive** is free cloud storage provided by our school district. I recommend saving your work here (many of you already use it).
- **Snapseed** is a free photo editing mobile app that will be used in addition to the phone's in-camera editing features.
- **Padlet** is an online platform we will use to create online photo portfolios.
- **PicCollage** is a free mobile app that will sometimes be used when turning in a series of photos. If you already have a collage app, that should work as well.
- **Photoshop** is an industry standard software program we will use in the classroom computers to edit photos. We may dabble with Lightroom as well in Advanced Photography.

## ACADEMIC HONESTY POLICY

Please refer to the Academic Honesty Policy found in the Summit High School Student Handbook.

**Turning in photographs that are not created by you is considered plagiarism and they will not receive credit. If it happens a second time, you will be referred to administration.**

## MATERIALS & EQUIPMENT

- Student smartphone cameras will be utilized before we use the classroom DSLR cameras.
- Students can use their own DSLR camera if they own one.
- Notebook or section in a binder to write notes (notes may be typed if preferred)

## NOW LETS HAVE FUN!

The last thing I want is for you to stress out about photography! I hope that you focus less on your grade and more on having fun while learning new things. I can guarantee that if you **try your best**, you will be successful in my class!

**WORLD'S  
-BEST-  
TRY-ER**

## GRADE POLICY

**60% Summative:** Photography projects, quizzes, and tests.

**40% Formative:** Participation, notes, photo critiques, activities, and class assignments.

## LATE/MAKE-UP WORK

You will be given one day per excused absence to make up missing work.

Otherwise late work is deducted 5% every day past the due date.

You can revise work you have already turned in to get more points and can re-take tests if you receive 69% or lower (except final exam).

## GRADE SCALE

A+ = 97-100%

A = 94-96%

A- = 90-93%

B+ = 87-89%

B = 84-86%

B- = 80-83%

C+ = 77-79%

C = 74-76%

C- = 70-73%

D+ = 67-69%

D = 64-66%

D- = 60-63%

F = 0-59%
